Services

Photo sessions

You can have your own private photo shoot at your barn, home, or the location of your choice. The session is built around you and tailored to what kind of shots you want, whether it is riding, portraits, confirmation shots, or all of the above.

Sale Ads

We offer sales, lease, and stud ads. We can use pictures you already have or can come out and take some new ones for the ad.

Barn/Business Ads

We can also make an ad for your barn or other business. Just like with the sales ads we can use your pictures (if they are high enough quality) or come out and take some new shots.

Show Mommy Package

Ever go to a horse show and come home dying to see the photographer's pictures, only to find out there are only 3 or 4 of you? Well we have the solution. We will come to your show just to shoot you! You are guaranteed to come home from that big show with tons of photos of you and your horse. Group rates are available.

An optional part of this package is the full show mommy experience. Not only will we come photograph you, but we will also help make you and your horse show ring ready. We will help you look your best for the judges and your pictures!

Personal Photoshop Collages

Have a few photos of you and your horse that you love, but only have room to hang one? We can create a photo collage of some of your favorite photos. A great gift for any horse lover. We can use your photos or take some new ones for you.

E-mail us for information on packages and pricing. Prints are available for purchase after all photo shoots.
